# ACTION EARTH Grab a Grant

Action Earth is helping to get people and communities busy outdoors. The campaign has grants to give to groups of volunteers who are carrying out environmental projects in Scotland.

- ▶ Grants from £50 to £250 are available for practical activities that involve volunteers in improving outdoor spaces or creating habitats for wildlife.
- ▶ Grants can be used to purchase plants, tools and materials or to cover volunteer expenses.
- ▶ If your group is volunteering on a Local Nature Reserve we can give you up to £500 for practical work, wildlife recording or educational activities that encourage more people onto the reserve.

The campaign is run by Volunteering Matters from April to December each year and is supported by Scottish Natural Heritage.
