

# TACKLING FUEL POVERTY TOGETHER FREE TRAINING WORKSHOP

Home Energy Scotland's community liaison team are running a **free training workshop** to help to reduce fuel poverty in **Fife**.

This training helps to tackle fuel poverty at a local level and it includes:

- Facilitated workshops to explore fuel poverty issues
- Practical skills on saving energy
- Updates on funding available for people in fuel poverty
- Real life customer case studies to show the difference that support can make
- Examining partnership opportunities and working together to help vulnerable clients

**May**

**18**

**Time: 10am to 2pm**

**Venue: Rothes Hall, Glenrothes,  
Fife, KY7 5NX**

**Book now at: [http://bit.do/fuel\\_poverty\\_training\\_Fife](http://bit.do/fuel_poverty_training_Fife)**

Don't miss out on this training, over the last year we have trained 165 delegates from over 75 different organisations including Shelter, Alzheimer's Scotland, Crisis, Christians Against Poverty and RNIB.
