

Investors in Young People Information Session

BRAG Enterprises Ltd – Crosshill Business Centre – Lochgelly – KY5 8BJ

18th of December 9.00-11.00.

BRAG Enterprises Ltd, Fife Council and Fife Voluntary Action are hosting an information session with Laura Peacock from Investors in Young People.

The session will provide an opportunity to learn more about the accreditation scheme for those organisations promoting youth employment.

As you can see below, this is a fantastic opportunity to get your work recognised by a prestigious organisation and with the support from the Scottish Government the process can be completely free of charge.

If you could benefit from this scheme, just drop me an email at PSantos@brag.co.uk or call 07776183045 to book your place on the session. Since places are limited, they will be allocated on a first come first served basis.

Sophie Dawes:

“Investors in People Scotland are working hard to promote youth employment within Scotland and are currently working with over 200 organisations, to assist them in their recruitment, retention and development of young people.

There is now an even greater reason to use Investors in Young People accreditation and advice. The Scottish Government has increased the funding available to employers of up to 250 people to a maximum of 100% - this is only available to organisations that use IYYP before March 31st 2016. Not only do you get high value support to help your business reap the benefits of engaging young talent, but you also get funding to help you achieve it!

IYYP can support you in various ways, we can:

- challenge and encourage you to consider the capabilities you need to achieve your goals and objectives
- offer guidance and encouragement to you so you can access the range of support services available
- provide recognition to you demonstrating you are effective in your approach to recruiting, retaining and developing Young People
- provide you with recommendations and advice to stretch and challenge you to further develop your practices around Youth Employment

We've worked with organisations of all sizes and from all sectors. Take a look at our case studies on the [IYYP Website.](#)“
