

Health & Social Care Integration

'Together We Can'

Taking a Closer Look at Localities

February - March 2015 (Various Dates)

Localities have been described as the 'engine room of integration' and will be critical to the future delivery of health and social care services.

To help promote the planning role of the seven localities for Fife, a series of locality-based events will take place in February and March. The events will provide an opportunity for health and social care staff employed within the statutory, independent and voluntary sectors to come together with members of the public involved in existing public engagement groups to;

- Be updated on the progress of integration in Fife
- Network with locality based colleagues across all sectors and members of the public
- Identify in more detail how working together in your locality can bring about better outcomes for the public
- Consider how community assets might be used to support the local delivery of health and social care and contribute to the early development of the strategic plan

Dates, Venues and Times

All events will start at 1.30 and finish no later than 4.30 each day. Registration is at 1.00.

Date	Venue
Tuesday 24 th February	The Studio, Lochgelly Centre
Wednesday 25 th February	Pitfirrane Hotel, Crossford
Thursday 26 th February	The Caledonian Hotel, Leven
Tuesday 3 rd March	Balgeddie House Hotel, Glenrothes
Thursday 5 th March	Dean Park Hotel, Kirkcaldy
Thursday 10 th March	Kingdom Suite, Dunfermline Athletic Football Cub
Thursday 12 th March	County Hall, County Buildings, Cupar

Who should attend?

The events are aimed at members of the public with an interest in the development of health and

social care as well as professionals working within the NHS, Fife Council and the Independent and Voluntary Sectors.

Which Event Should I attend?

The events are open to staff and members of the public. A requirement of attendance for staff is that they must work within the locality geographical area where the event is being held. Members of the public involved in public engagement groups wishing to attend should apply to attend the event in the corresponding locality area where they live.

If you are uncertain as to which locality event you should attend a more detailed map (showing the corresponding Fife Council Area Committee areas) is available via the NHS and Fife Council intranet sites or by accessing the 'Public' link below, (to open the link on a PC press Click and Ctrl).
