GROWING AND SUSTAINING A THRIVING THIRD SECTOR IN FIFE

This event will bring together leaders and activists of the third sector in Fife to reflect on the strengths of our sector and prepare for the future in these changing and challenging times.

**This full-day event will feature a range of keynote speakers, panel question and answers, round-table discussions and networking opportunities.**

As well as considering the national context, we'll be exploring together the strengths, challenges and opportunities for the third sector here in Fife. The report will shape the priorities and work of the Third Sector Strategy Group and Fife Voluntary Action.
