Opportunities Fife Partnership & Shaw Trust Scotland

Invite you or a representative from your organisation to the launch of Disability Confident in Scotland

In July 2013, the Prime Minister launched 'Disability Confident', which encourages employers to recruit and retain disabled people who are eager to work and have the skills, talents and abilities that employers are looking for.

This **FREE** event for employers in Fife will showcase a wide range of support available to help you with employing, recruiting and retaining staff who may have or develop a health issue or disability.

Employ with Confidence promises to be an informative, high profile event which is not to be missed. #EWCFife
